WAS SON INCOMPETENT

Former Redwood Physician Contests Will of Son on Charge of Unsound Mind.

Dr. A. W. Gamble, a former well-known physician of this city is involved in a peculiar suit in Alameda county. Recently the old doctor's son Walter died and left a will by which all of his estate, valued at $5,000 is bequeathed to his mother. Dr. Gamble charges that his son had always been incompetent and that at the time of the drawing of the will he was incapable of properly drawing such a document. It is further charged that Mrs. Maria Gamble, the stepmother of his son, and Maria Donnelly, the daughter of the latter by former marriage, prejudiced the son against his farther and, by the exertion of undue influence, induced the testator to disinherit the contestant. The deceased died on October 10th last tand the will was dated on October 4th, six days before his death.

Old residents of Redwood will recall Dr. Gamble and his sensational departure from this city over twenty years ago. Gamble is a Canadian and it was alleged that he had a contempt for the American flag. At any rate it happened that on the Fourth of July of '86, when every building in town was decorated with the national colors, the doctor's office was conspicuous for its dearth of any such adornment. The boys noticing Gamble's lack of patriotism gathered at night and proceeded to dress his building in appropriate colors. While the work was going on Gamble appeared on the scene, pistol in hand and scattered the young patriots. He then tore the decorations from his office. That night Gamble was hanged in effigy. Within a month he had disposed of his property here and elsewhere throughout the county at a sacrifice and moved to Alameda c unty.

COUNCIL PUTS BAN ON PRIZE FIGHTS

Marshal is Instructed to Prohibit Fighiting and Boxing Contests in City Limits.

READY FOR WATER EXTENSION

Hess Looses Big Contract on Technical Error---Will Purchase Large Supply of Water Pipe.

Not so long as the present "powers that be" can prevent it, will prize fighting—either pure and simple, or under its various equally disreputable guises of "boxing" and "wrestling" matches—be tolerated within the corporate limits of Redwood City. This was the unequivocal annonncement of Mayor Merrill at the meeting of the City Council last Monday evening, and the expressed sentiment of the other Trustees clearly indicated this to be the unanimous determiation of the Board. This announcement came as the result of a statement by Trustee Beeger that his attention had been called by Marshal Christ to the fact that bills had been posted about town announcing a "boxing match" to be held at the Alhambra on November 14th, and that the Marshal desired to be advised as to his course in the case. A glance at the calendar assured Trustee Rice that the date was Sunday, and he forthwith protested against such a desecration of the day, and condemning such exhibitions at any time. A general discussion brought forth the information that some of the intending participants were local youths, mere boys, when the emphatic stand of Chairman Merrill was announced. Trustees Beeger and Brown were equally emphatic in their condemnation of the proposed "amusement." After several means of proceedure had been suggested, Trustee Rice, chairman of the committee on public morals, offered a motion directing the Marshal to see that the offending posters were removed, to notify the management of the theater that the house must not be rented for exhibitions of this character under penalty of a loss of his license, and to preveut the exhibition, should it be attempted, by arrests and criminal prosecution. The motion received the second of Trustee Brown and was adopted by a unanimous vote.

Bids for the laying of the mains to connect the new reservoir with the city water system were presented as follows: M. A. Elftman, 1400 feet 8-inch, 20 cents per foot; 4289 feet 10-inch, 25 cents; 700 feet, 6-inch, 20 cents; 300 feet 4-inch, 16 cents—approximate total, $1,800. L. L. Page, in round figures, 29 cents per foot. A. Hess, 4 and 6-inch pipe, 14 cents; 8, 10, and 12-inch, 17½ cents, —approximate total, $1,200. Mr. Hess was thus the lowest bidder, but his accompanying check was not up to the required 10 per cent and defeated the award to him as other bidders raised and stood on the technicality. As the council did not, under the circumstances, see its way clear to accept the Hess bid and save the $600 difference in favor of the town, new bids will be called for.

Bids for furnishing the supply of pipe called for at the last meeting were received from the U. S. Pipe Co., Christian Froelich and the Crane Co. The bid of the Crane Co was the lowest and the contract was awarded to them.

In a communication from their park committee, the Native Daughters informed the Council that it was their intention to have California Square surveyed, laid out and planted. Plans for this had been prepared, but no attempt had been made to estimate the cost. This information failed to satify the Trustees, who believed the plans should be presented to and approved by the Council and that no authority should be given for the work until its probable cost was known. G. W. Lovie addressed the council and said that considerable money had already been spent on California Square, and that while he believed the Native Daughters had done the best they could, he believed the council could not delegate the spending of the town money to anybody else, and he hoped the council would refuse hereafter to place the entire disposal of the matter out of their own hands. Chairman Merrill favored the improvement of the park but would not countenance the expenditure of public money without proper safeguards. On motion of Trustee Rice the Clerk was directed to notify the committee that plans and estimates must be presented.

Trustee Brown, of the finance committee presented an appraisement, prepared by Geo. W Lovie, H. C. Tuchsen and C. G. Landscheit, showing the probable cost of extension of Phelps street to its proposed junction with Jefferson avenue was received and filed: Johanna Offermann, $2,800; C. H. Offermann, $800; R. B. Lasswell, $200, Cullen Estate $50; Redwood City School District, $250; A. M. Robertson, $250. Total, $4,350. The appraisement was questioned by Mr. Robertson as being too low and a reflection on the value of Redwood City property. Mr. Lovie, as one of the appraisers, stated that some of the parcels affected were in the nature of creek frontage and not more valuable at the present time. If future vaulation was to be considered at all, the situation would be reversed—the property would then be opened up, it would have extensive frontage on the proposed Phelps street extension, and there would be a central junction at Jefferson avenue. The remaining property would be vastly benefitted. In this connection, City Engineer Neuman was instructed to report on cost of building a bridge across the creek at the proposed Phelps street extension.

A report was received from Fieldon W. Waggoner on a storm-water and sewage system for Chestnut street. An underground conduit was found impracticable and the recommendation was made that a grade system be adopted, all streets parallel with Chestnut, from Five Points along the county road to carry their proportion of the storm water runoff. The matter was taken under advisement. The cost of the system is estimated at $15,480.

An ordinance prepared by City Attorney Mansfield designed to prevent the driving of vehicles over fire hose was introduced and laid over until the next meeting.

Street superintendet Dickey presentan estimate of a considerable quantity of pipe required in making extensions of the water system. The clerk was directed to invite bids for the material.

Mr. Lodi, who intends to build on his land, on the County Road, just beyond the corporation line, was granted permission to connect with the city sewer, provided he bears all expenses of making the connections and pays $1 per month.

SAD CASE OF NEGLECT

Juvenile Court Investigates Case of Parents' Inhuman Treatment of Their Children.

The first session of the Juvenile court of this county Tuesday disclosed a pitiful condition in one of the homes of this county. Ten minor children of George Bell, unkept, halfstarved and otherwise bearing the marks of neglect, were brought into court on complaint of neighbors who petitioned that they be caredfor. The names and ages of the children are as follows: Wallace 15, Robert 10½, Chester 9.1-2, Clifford 8.1-2, Frederick 7.1-2, Walter 6, Theodore 5, Dorothea 3, Alice 2, Winifred 1. The father has a contract to carry the mail from San Gregorio to Bellvale for which he receives an annual income from the government of $350. Both he and his wife seem entirely indifferent as to how their little ones exist. After scoring the recreant father severely, Judge Buck disposed of the children as follows: Robert was taken in charge by John Wilson who resides on the mountain, and Wallace by Chas. Durham, a neighbor; Chester, Clifford, Walter, Frederick and Theodore were given in charge of Probation Officer Sheehan to be placed in the Armitage Orphanage at San Mateo, and the three little girls were sent to a San Francisco nursery. There are two elder children of the Bells that are able to care for themselves.

James Blaine Wyman, aged 17, was committed to the reform school at Whittier the same day on a charge of horse stealing.

Pays Tribute to Friend.

At the services in the Catholic church last Sunday, Rev. Father Sullivan delivered a touching address on the late Dr. W. M. Barret, referring to his many traits of character that had endeared him to every one in the community. Father Sullivan and Dr. Barret were close friends and often companions on those erands of mercy that are the duty of the physician and priest, and he spoke truthfully when he said that no more generous, faithful or sympathetic physician than Dr. Barret ever harkened to the call of distress. In conclusion he asked his congregation to offer up their prayers for the soul of the departed doctor.

This week Morton and Fairfield are giving a high class performance at the Bell theatre. Next week Mr. Mehrten will inaugurate a baby show and desires all of the ladies who wish to participate to call at the theatre on Monday and make the necessary arrangements. In order to make the competition interesting at least three valuable prizes will be given. There will be no expense to the participants. In addition to the baby show Mr. Mehrten expects to be able to present Sherlock and Holmes two singing and dancing and comedy artists, making an attractive bill for the week.

Dr. Kirkpatrick Quits Soldier Life to Locate in Redwood---Library Association Formed.

[Some of the local happenings of 1866 are related in this article.]

About the middle of January, two men who had been prominently identified with the public and private interests of the community left for visits to their old homes in the Eastern States. These were J. V. Diller and County Treasurer J. W. Ackerson. Both had been well regarded in the community, and their departure was marked by public evidences of the esteem in which they were held.

On the evening of the 28th of February, a few residents of this town who felt an interest in the establishment of some means of gratifying the literary tastes of the community gathered at the armory of the Jefferson Cavalry for the purpose of discussing the project of forming a public library association. While considerable publicity had been given the intended meeting, but few of those who had been expected to take an active part in a movement of this character showed interest enough even to attend the meeting, and for a time matters looked rather discouraging. Those who had assembled were determined that the town should be provided with a library, and in spite of the small attendance went at the work with a will that soon bore good fruit. The meeting was called to order by A. Teague, Captain S. H. Snyder acting as secretary. After a short discussion it was determined to proceed with the formation of an association, and for this purpose H. A. Schofield, Dr. T. L. Barnes, and Jesse Jewell were appointed a committee to draft articles of association and prepare constitution and by-laws. At the same time Capt. T. W. Lathrop, W. H. Shreve and J. C. Edgar were appointed a committee to ascertain what books were contained in a circulating libray at Livingston's store and report upon the terms at which these could be purchased by the association. Two weeks later the same people, with a few more who had become interested, met and completed the organization of the Jefferson Library. The firat officers of the organization were Andrew Teague, president; John Ames, secretary, Charles Livingston, treasurer; John T. Preble, librarian; Horace Howes, George H. Kellogg, C. N. Fox, B. G. Lathrop and H. A. Schofield, trustees. To start the library in opertion B. G. Lathrop offered a donation of a considerable number of books. To provide for the finances the price of admission to the association was fixed at $2.50, with dues of 25 cents a month.

Under the caption of "More Doctors," the Gazette, in its issue of March 3d, contained tue following: "It will be seen by an advertisement in our columns this week that Dr. Charles A. Kirkpatrick, late Surgeon in the U. S. Army, has located himself in Redwood City for the practice of medicine. We learn that Dr. Kirkpatrick has served four years as a surgeon in the army. Three years of this was spent with General Connor in Utah, and when this regiment was mustered out, the Doctor and his family started across the Rocky Mountains in 1864, and joined the Army of the Potamac while laying near Petersburg as a volunteer surgeon, and while there received a commission as a surgeon in the Eighth California Volunteers, when he returned to California. The Doctor's family accompanied him through all his campaigns and shared the comforts of his camp life.

Deputy County Clerk Lowe was awakened Tuesday moring at 2 o'clock to issue a marriage license to William M. Craig of San Francisco and Miss Cornelia Lee Beatty of Oakland. After securing the license the couple who were in an automobile with friends aroused Justice Hannon and asked him to perform the marriage ceremony. The judge refused and the party motored to San Mateo where the knot was tied by Justice Loveland.

$100.00 Reward

would gladly be paid for a cure by many people who are crippled with rheumatism, yet if they only knew it, they can be cured by a few bottles of Ballard's Snow Liniment, and the price is only, 25, 50c and $1.00 per bottle. Sold by Ryan's Drug Store.

John Hanley, one of Redwood's oldest citizens, has been seriously ill for the past three weeks. On account of his advanced years his recovery is uncertain.

Cold Weather Advice

to all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears treat it with Ballard's Horehound Syrup the standard cure of America. Use as directed—perfectly harmless. A cure and preventative for all diseases of the lungs. Price 25c, 50c and $1.00 per bottle. Sold by Ryan's Drug Store.

Co-Operation

We think we are justified in asking the co operation of the public to the extent of holding toward us a friendly spirit in considering our problems and dealing with personal and municipal questions which affect us.

The co-operation which we desire is not the kind which would perform our work for us or lift our responsibilities from our shoulders. Rather it is the same appreciation and encouragement which is accorded any worthy commercial enterprise whose labor and ambitions help to make the city great.

A city cannot get along without utilities, nor can the utilities exist without the city. They are mutually dependent. A gas company that does not do its utmost towards developing its city is working against its own interests; likewise a community which fails to co-operate with an EFFICIENT public service company sacrifices its own welfare.

On this point the Railroad Commission of Wisconsin, an absolutely disinterested body, has said: "The relations between the cities and the utilities operating therein should be harmonious. There mut be co-operation rather than agitation. No one, it would seem, has anything to gain by the financial failure of public service corporations which are conducted and operated under ordinary or normal conditions.

"Losses to such plants are, in the end, likely to result in both public and private injuries. It usually means poorer or depreciated service, which of itself is a very important item. Even if it should enable cities to acquire title to their utility plants at comparatively low cost, such acquisition is not likely to prove a popular one in the long run.

D. E. O'KEEFE, Editor and Proprietor

The voters of San Francisco have put the quietus on that loud-mouthed, self opinionated, blatant, blatherskite and demagogue, Francis J. Heney. He never accomplished anything, except with "mush" and by un-American methods which the people repudiated.

Go Back and Sit Down.

By a majority sufficiently large to be accepted as decisive, the thinking people of San Francisco have announced that they are tired of the so called "graft prosecutions," and have relegated Mr. Heney and his methods to the background, where for the sake of the good name of that fair city it is hoped he will remain. Whatever may be said of the indications of the results of other portions of the late municipal campaign, the result of the election of Fickert to the office of District Attorney, can by no possible means be given any other interpretation.

This issue was of Heney's own making. He entered the campaign with the announcement that he was to go before the people for an endorsement of his conduct of these cases, and the sole stock of his argument was that all he desired was an endorsement of his methods and the determination of the question as to whether it was the will of the people that he should continue. To this he has had his answer, and it has been an emphatic one.

Nor did this large majority for Fickert come from an unthinking mass. A considerable portion of the vote was that of the laboring man—the mechanic and artisan—upon whom falls heavily the burden of the useless expenditure of public funds. Another considerable portion of this decisive command of the voter came from the men of the business community, who depend also upon the prosperity of the city for the means which they enjoy.

News of Pescadero.

PESCADERO, Nov. 5.—David Moore is here from Redwood City to visit his brother Walter, who is very low with cancer on his lip.

Great doings in town Hallow'een night. Every body nearly had a joke of some kind played on them.

The Hallow'een party given at Dr. Kemp's last Friday evening was a very pleasant affair. Dr. and Mrs. Kemp certainly did their share toward entertaining and making a pleasant evening for those present.

Guy Boynton a young man in the employ ofFred Bowen at the White House got his arm broken above the wrist and Dr. Thompson set the broken bones.

L. Coburn and Miss S. S. Upton are in San Francisco

Mr. Brunning the candy man is with us again.

Old Loren Coburn is tickled all over with the final decision in his incompetency case. He does not hesitate to say that he believes the Appelate Court to be an honest body, one that can not be bribed or improperly influenced in their decisions, which are given without fear or favor, and t hat he wishes he could feel certain that all courts were controlled the same way. He says he believes the Judges saw from the evidence given against him in the incompetency trials that there was an attempt simply to get from him what he had worked so hard for during the past 60 years, and had saved and added to without any help from his relatives. He says he thinks that when an old man places confidence in a young man such as he had, that he should place all papers and things of value in a steel safe and get a regiment of soldiers to guard it. He says some people might find something better to do than putting up jobs on an old man 84 years of age, and that if they would use as much energy and enterprise in other matters the results would be more lasting. He wonders if the voters of San Mateo County would care to trust their offices in the hands of people of methods such as he knows of. This same scheme of trying to make out that L. Coburn was incompetent was tried about 10 years ago and then it failed. About a year ago it was tried again and this time it worked only a little further, as when the case got to the Court of Appeals it was turneed down. Trouble seems to roll away from Coburn like watero off a duck's back. The large property holders and friends of the old man are very much pleased to hear that he has won this incompetency case.

Resolutions of Condolence

Whereas, God in His Infinite Wisdom has seen fit to remove from our midst Brother Walter Melville Barret, Worthy Physician of this Aerie and

Whereas. the members of this Fraternity sincerely mourn the sad event, which is a common loss to all of us who have met him socially and officially, it is due that we, as Officers and Members of this Aerie officially give expression of our sorrow, that the same may be perpetuated of record;

Now Therefore, it is the will of this Aerie, that in the death of our lateBrother, Walter Melville Barret, we have los atn honest man, a worthy citizen, a sincere friend and a faithful officer; that he was ever zealous for the welfare and prosperity of our order and its members;

Be It Resolved that to the bereaved family of our dead brother and to his relatives we extend only what friends may tender under such circumstances, "our sincere sympathy and condolence," and in so doing, beg them to remember that while their loss is irreparable that the hearts of many people, poor and mighty,also suffer, and that widow's tears, children's cries and man's sighs have expressed common grief, affliction and desolation;

And Be It Further Resolved that we, who have been Brother Eagles with our late Brother Barret, in conclusion desire to add our humble tribute to his worth as a man and as our Physician; We ever found him cheerful, considerate, friendly and seolf-sacrificing;

And be it further resolved, that in respect to our late Brother and Physician, the Charter of this Aerie be draped in mourning for a period of thirty days; that these Resolutions be engrossed in full upon the minutes of this Aerie, and that a copy thereof be forwarded to the family of our deceased brother.

Respectfully submitted in L. T. J. and E.

SAN MATEO, CAL., November 5.-Last Tuesday John Wisnom, one of San Mateo's most popular young men went to San Francisco and was married to Mrs. Hannah Brown, widdow of the late J. J. Brown. The young people tried to keep the affair quiet but it leaked out before they returned to San Mateo. Mr. Wisnom is president of the San Mateo Lumber Company and vice president of the National Bank of San Mateo. The bride is the widow of J. J. Brown who was at one time chairman of the Board of Supervisors of San Mateo County, a position he filled with honor She spent her girlhood in Menlo Park but has resided here since her first marriage. She is quite popular and has a host of friends. Mr. Wisnom is the eldest son of the well known San Mateo capitalist.

Wandering Boy Rerurned

Chester Kirkpatrick, the lad who disappeared a week ago Monday, and for whom search has been diligently made was apprehended by a constable at Gilroy and was returned to Palo Alto, where he was met by his parents and taken to their home in La Honda The parents paid the Gilroy officer the $100 reward offered by them.

It ppears that when young Kirkpatrick left the Sequoia HighSchool at Redwood City, where he was a pupil, he did so with the intention of going to Los Angeles. He got some distance below Gilroy, when his desire for the independent life of the road weakened and he decided to return home.

Dance at the Alhambra

One of the most pleasant successful dances of the past year was that on August 21st, last by Mullen's Orchestra of this city. The music was fine, the crowd was jolly and all had a fine time. To-night at the Alhambra another ball will be gvein by the same boys, and their efforts deserve the reward of another big, jolly crowd. Nothing has been left undone in preparing the floor and the ball hroom, and all who attend are assured of a good, sociable time.

Record Breaking Trip.

Sheriff Robert Chatham returned from Los Angeles Wednesday. He went South to take young Wyman to the Whittier Reform School Monday evening and returned early Wednesday morning. This is one of the quickest trips on record. It is little wonder he could not be at the Board of Supervisors Monday afternoon. His chief deputy Frank Bartlett was at that time in Santa Rosa.

The fololwing liquor dealers whose applications were presented at the first meeting in October, were granted licenses:

First township—W. R. Markt, San Bruno avenue.

Fourth township—Thos. F. Quinlan, Halfmoon Bay.

The following liquor dealers gave notice of intention to apply for licenses a month hence:

First township—John T. Gellins, Colma; Michael Lynch, Colma; Fred B. Rossi, Colma; Perry & Shear, San Bruno.

Second township—John T. Dunn, Belmont.

Fourth township—Manuel Luis, Halfmoon Bay.

The application of F. A. Smack for a liquor license at Vista Grande was laid over for one month on motion of Blackburn, seconded by Francis.

When the application of Charles Meyer for a liquor license to do business at Menlo Park was taken up, a lengthy protest was read by the clerk signed by the people of that place. The petition recited the fact that the Legislature passed an act prohibiting saloons within a mile and a half of the University Campus. The Supervisors were urged to deny the petition. Geo. C. Hoss represented the petition and J. F. Lanagan the applicant.

Mr. Ross reiterated what he had said at the last meeting about determining the validity of the law without friction. He said the board could deny the license and then the matter could be taken to the Supreme Court and settled for all time. He called Surveyor Neuman who identified the map showing the distance between Menlo Park and different points of the university grounds. David Starr Jordan, A. B. Clarke and Prof. Green were sworn and testified that there were 1000 students residing on the campus and that there were 1587 students attending the University. They all agreed that the land running to the San Francisquito Creek was considered a part of the campus. Mr. Meyer failed to put in any testimony. Mr. Ross urged that the application be denied. He explained that in as much as the applicant failed to put in anyy testimony he desired the matter to be taken before the higher court at once. Chairman McEvoy said that in denying the application odium would be cast upon the board. Finally the matter went over for two weeks, Mr. Ross agreeing to bring a restraining order at that time

Mrs. Nellie H. Wyant of Halfmoon Bay was allowed aid in the sum of $6 per month.

Action on the application of the United Gas & Electric Company for permission to lay 4000 feet of gas mains atFair Oaks was continued to the next meeting of the board.

The communication of Mrs. F. H. Thorpe and L. B. Thomas asking for a share of the insurance on the New Courthouse were ordered filed.

The Womans Club of Burlingame was given permission to erect a mission bell on the county road and Florabunda Avenue.

Surveyor Neuman presented a description of Park Lane and Camino Al Lago lying between Elena avenue and Alameda de Las Pulgas, in the Third township, which roads W. L. Grodall and others in April petitioned the board to make one highway to be called Camino Al Lago, and to accept as a county road.

Chairman McEvoy stated that he was ready to accept the road as described and asked that the petition be accepted, which was done on motion of Coleman, seconded by Blackburn. The clerk was directed to record a description of the road.

Surveyor Neuman reported that Second street near Elm avenue in the Anthony subdivision in the Second road district, which it is alleged that Samuel Lavenberg had fenced, appeared as a street on a map filed in 1899.

The written statement of Mr. Levenburg showing that certain streets at San Mateo were private property and for 20 wears he had occupied them, wasdeferred to the District Attorney.

At the request of W. B. Lawrence the Spring Valley Water Company was granted permission to erect poles for a private telephone in the first township on Clara street, Sullivan Avenue and A street, San Pedro road, also along the Belmont road to the pumping station at Belmont.

Action on the petition against the Sunshine Club was continued for 30 days at the request of J. W. Coffroth,who telegraphed from New York.

In accordance with the published notice bids were opened as follows for laying 625 feet of concrete pipe on the county road and Collins avenue in the First township: E. R. Michell, $2200; John Savage, $1785 On motion of Casey, seconded by Blackburn, the contract was awarded to Savage, work to be completed in sixty days.

No bids were received for installing the street lighting system at Easton and the matter was laid over until afternoon for further consideration.

The application of M. C. Amaral asking for aid was referred to McEvoy.

The petition of Daniel McSweeney for a transfer of his liquor license was again continued for two weeks.

Consideration of the Pope street bridge at Menlo Park was continued for two weeks to enable the clerk to procure the contract, specifications and other data from the county clerk at San Jose.

Casey reported that he had finally secured the consent of the Southern Pacific Company and United Railroads to erect gates at the San Bruno crossing in his district. The report was accepted and ordered entered on the minutes.

The claiml of the Direct Telephone Company for $300 for material furnished and work done was rejected.

Douglas Watson addressed the board stating that Los Angeles had recently voted $3,000,000 under a similar proceeding, Stanislaus, $1,800,000; Sacramento $600,000; and Yuba $100,000. He also stated that, should the state bond issue of $18,000,000, planned by the governor for good roads, carry, this county would get its share whether it bonded itself or not. In asking that a commission be appointed the petitioners wanted to go before the people entirely free from suspicion, with no political affiliations, as might be charged should the board itself assume the duties of the commission. The backers of the petition, realizing that San Mateo county's greatest need was better roads, would spend $20,000 to carry the election.

McEvoy expressed himself strongly in favor of the bond issue as it would provide the only means by which the roads could be permanently built, but he was in doubt as to the best way to proceed and secure the confidence of the voters.

W. J. Martin, Wm. T. Garret, E. J. Woodman, and others spoke in favor of the appointment of a commission.

Coleman moved that the petition be accepted and that three commissioners be appointed. His motion did not meet with a second.

Watson made a strong appeal to Francis and Blackburn to second the motion but they failed to respond.

Watson asked to have the petition withdrawn but was prevailed on by the chairman to have it remain with the understanding that some action would be taken at the next meeting of the board.

The application of R. R. Mitchell for a franchise to install a private sewer system at Halfmoon Bay was laid over for two weeks.

The Clerk was directed to advertise for bids for installing lights at Colma, San Bruno and Easton.

Auditor W. H. Underhill was sent for and directed by the Chairman not to draw his warrant for the Sheriff's salary for the reason that that officer failed to attend the afternoon session of the Board.

E. W. McLellan of Burlingame was present in accordance with the clerk's summons and explained that he had sprinkled the road at Burlingame with a light coating of oil to lay the dust for the protection of his greenhouses. He did not know that he was breaking the law.

Coleman stated that he intended to have the matter before the district attorney.

OLD TIME LANDMARKS

Members of Redwood City Womans Club Told of Historical Points of Northern California.

Members of the Redwood City Womans Club held an unusually pleasant and profitable meeting Thursday afternoon at their club parlors in the Odd Fellows Building, at which a large number of the members were present. The special feature of the afternoon was the entertainment, which was in charge of the History and Landmarks Section, under whose direction a specially pleasing programm had been arranged. The program opened with an instrumental solo by MissBernhart, which was well received. Following this came the feature of the afternoon, when Mrs. A. A.Goddard, of Sacramento, State chairman of the History and Landmarks Committee, was introduced and delivered a most eloquent and instructive talk on "The Landmarks of Northern California," dealing first with the establishment of Sutter's Fort and giving a short sketch of the life and history of Sutter himself.. This was followed by descriptions of other landmarks of the history of Northern California such as Starvation Camp, the scene of the memorable sufferings of the Donner party,, the Lassen Trail, the Old Courthouse at Sacramento, the Bidwell Rancho and other points of interest to the student aof the early history of the State.

Following the talk of Mrs. Goddard, which was listened to with the closest attention, Mrs. J. H. Nash read a paper on "The Name California." The next on the program was a musical number, a vocal solo with guitar accompanyment by Miss McCarthy, an excellent musician. This was followed by a vocal duett by Miss Beeger and Miss Wolfenden,both of whom sang in excellent voice, and the program closed with a piano solo by Miss Emily Hess.

After the rendition of the program refreshments were served and a pleasant hour was devoted to social converse and the laying of plans for the future. During the meeting a Musical Section was added to the departments of the Club, which will be under the direction of Miss Swain as chairman.

The food sale, for which preparations have been under way for some time will be held on Saturday November 20th, in the large hall on the first floor of the Odd Fellows Building. At the noon hour the ladies will serve a New England luncheon, and this will be followed during the entire afternoon by the sale of attractive and substantial home-cooked viands.

Harvest Home Service.

The "Harvest Home" service held in the M. E. church Sunday last was well attended. Proof. Myer's solo "just for today" was much appreciated, as was a solo by Miss F. I. Leak.The choir sang several pieces in a very pleasing manner. The church was tastefully decorated; the platform resembling a garden with its flowers, vines, fuiths and vegetables nicely arranged. "God's Gift to Man" was the subject of the pastors sermon That we in this favored state have reason to be thankful was in evidence when we remembered that last year the products of the farm, forest and waters were more than four hundred millions of dollars. Our gifts to every good cause should be commensurate with our blessings

TO SUPREME COURT

Coburn Incompetency Case to Go to Court of Last Resort.

The Court of Appeals has handed down a decision reversing the opinion of Judge Buck in the case of the guardianship proceedings of Loren Coburn who was declared incompetent by the lower court and who appointed CarlJ. Coburn guardian. The case was tried here over a year ago. The decision of the higher court was written by Justice Coooper but was not altogether concurred in by the other justices. The court of appeals is constituted of three justices and there can be no decision by the court unless the three unite in it. As a fact, in this case, while Justice Cooper did write an opinion that the evidence was insufficient to justify the finding of Judge Buck that Mr. Coburn was incompetent, the other two justices, Hall and Kerrigan dissented and agreed with Judge Buck. Upon the main issue, therefore, we had two justices sustaining Judge Buck, while one was against him. The actual reversal of the case was upon a technical objection that Judge Buck admitted evidence which was not properly admissble.

Ross and Ross appeared for Azro A. Coburn, who brought the suit and Treat and Kincaid represented L. Coburn.

The case will at once be taken to the Supreme Court and fought out there.

Attorney D. N. Dorn, whose beautiful home is located near Sacred Heart Academy, is to be one of the new police commissioners under the McCarthy administration. He is a good man for the place and the new mayor is wise in his selection.
